PAPA is a non-profit, public benefit corporation for Certified Applicators (QAL/QAC) and other professionals in related fields.

MAKE THINGS EASIER

In previous years, only 50% of renewing licensees received their new license before their previous license expired.

PAPA's tracking of your CE hours takes the uncertainty out of renewal and will enable you to submit your renewal early and accurately.

Earn at least 7 CE hours at each PAPA seminar and get right back to work knowing that we're tracking hours for you.

Have a question? PAPA is here to help. Visit us at papaseminars.com to learn more about who we are and how we make things easier for professional applicators like you.

PAPA exists to serve the professional applicator. For over 30 years PAPA has been the premier provider of continuing education tailored to the needs and interests of applicators.

We look forward to helping make your professional life easier. Join today by returning the completed membership form, renewing your membership online, or by giving us a call.

Thank you for your continued support of PAPA!
